

A stack of folded fabric samples, likely for bedding or linens. The top layer is a cream-colored fabric with a subtle, light blue or tan pattern. Below it are several layers of a dark blue fabric with a fine, white grid or woven pattern. The fabrics are neatly folded and stacked, showing the texture and color variations. The background is a soft, neutral tone, possibly a wall or a backdrop.

Montauk Fabric

MONTAUK

Montauk is defined by bold stripes against a crisp white background, subtly accented with fine tan lines. Available in three vibrant colorways, it brings graphic rhythm and coastal ease to interiors.
